

Roles & Responsibilities

Feeling Unwell?

Clients (and/or their representatives) are responsible for informing their therapist if there is a change in the client's health. At HDST we endeavour to keep our clients and their families, as well as our staff safe from potential germs. To help determine when to contact your therapist about rescheduling a session due to sickness, consider the traffic light system below:

Fever
Vomiting
Diarrhoea
Constant runny nose with
yellow or green colour
Undiagnosed rashes
Doctor has recommended
staying home from school or
preschool

RED LIGHT

Try again next week
Please inform your therapist
to reschedule your session.

Runny nose with
varying colour
Sporadic cough
Fever free for
24 hours

YELLOW LIGHT

*Have you got the all clear from
the doctor?*
If not, please inform your therapist
to reschedule your session.

Mild infrequent
cough
Clear runny nose
Active, playful and
rested

GREEN LIGHT

*It's okay to come in for your
session!*
Please reply with 'Yes' when you
receive an SMS confirmation.
