

Dear

How are you? Thank you for your lovely postcard!

My favourite time of the year is here again because it's when I get reports on who has been good this year. My elves say you've been extra good, with a few rough spots!

Keep on being good and you can expect some nice surprises come Christmas morning. So, tidy up your toy box, and your room, too! Share the toys you don't play with anymore with other kids. And get the Christmas tree ready. You'll need a lot of room for presents under it.

Sincerely,

Santa Claus
