## 2025 Fee Schedule

1<sup>st</sup> December 2024

Dear Valued Client,

On the 6<sup>th</sup> of January 2025 we will be updating fee schedule.

Prices will increase slightly in most areas of our service.

### Why is this Happening?

To continue our high-quality service and to facilitate the rising costs across all areas of our service. Where possible we have kept price increases minimal and some have remained the same.

We continue to offer a discount for private fee-paying clients as we acknowledge that the administrative, staff training and auditing costs to us are also reduced.
